- Address **E**ducational disadvantage
- Develop **T**omorrow's citizens

- **OUR VALUES**

- We champion all children
- We work collaboratively as part of one team
- We behave with integrity
- We strive for continuous improvement

Values, aims and ethos

Our motto 'aspire, explore, achieve, succeed' is fundamental in all that we do. We want the Harlow NET Academies to be a schools that aspire for pupils to achieve in every way: academically, personally and socially.

We aim to:

- Inspire, encourage and prepare our community to embrace the challenges of the future.
- Be confident, independent and creative in our learning.
- Value, enjoy and respect each other and the world around us.

All stakeholders, including staff, children, parent s, governors and wider agencies will endeavour to:

Individually	Collectively
Be punctual, prepared and organised for the day Dressed appropriately each day Be a positive role model for all including good manners Keep eye contact with those you are talking to Greet all that you meet in a positive manner Support and respect one another Celebrate successes of all Respect the decisions of the majority and senior leaders made in the interests of the children Value the opinions of others Communicate with respect and courtesy Be approachable for others Be willing to learn from others	Communicate effectively Share effective strategies Give opportunities for all to be independent Provide effective challenge for pupils to thrive Activities for children are creative and engaging Keep the school environment tidy and respect our surroundings All of the community to be involved in the school Be open minded to change and innovation Take risks Follow policies for consistency throughout Have pride in our work Co-operate
